Game Development Experience

Leaves of Fate

Writer, Composer, Producer

Sep 2025 - Mar 2026

- Developed a narrative puzzle platformer in a team of 12 using weekly sprint structure
- Followed a strict narrative pipeline to create and iterate on all game dialogue

Panoptica

Narrative Designer, Producer

Oct 2025 - Dec 2025

- Created a narrative-driven, point-and-click horror game over the course of 2 months with a team of 4
- Drafted, iterated on, and implemented all narrative elements within the game

Travelling With Taste

Producer, Programmer, UI/UX Designer

Mar 2025 - May 2025

- Produced a polished stealth game in a team of 7 students over the course of 7 weeks in Unreal Engine
- Programmed core game systems and implemented game UI using blueprints

Plates of Power

Writer

Sep 2024 - May 2025

- Drafted and revised character profiles using iterative design
- Created documentation for the team to use when referencing characters, mechanics, or features

Work Experience

Narrative Design in Interactive Media and Games

Teaching Assistant

Aug 2025 - Oct 2025

- Led class discussions and activities
- Provided feedback on storytelling concepts and analysis

Les Paulverizer Website

UI Programming & Design

Sep 2024 - Oct 2024

- Developed a website in a team of 3 students to interact with a physical Les Paulverizer device
- Implemented customizable features on the website, allowing a user to upload and configure their own music tracks

Mathnasium

Instructor

Sep 2024 - Present

- Tailored math lessons to students' individual needs, based on skills, confidence, and grade level
- Coordinated with other instructors to support every student during lessons

Awards

Salisbury Prize in IMGD

May 2026

- Demonstrated outstanding academic achievement, kindness and support to peers, and commitment to the IMGD community among the graduating class of IMGD.
